EXPERIENCE

CG LEAD | Crafty Apes VFX

JANUARY 2022 - NOVEMBER 2023

- Work closely with the CG Supervisor and VFX Supervisor to establish methodology and approach to CG tasks on a show. Also work with Production team to establish deadlines.
- Create setups in many different 3D areas (lighting, assets, environments, crowds) to be utilized by CG Generalists throughout a show or sequence. Complete artist tasks in assets, environment, and shot work as well.
- Responsible for onboarding new artists and mentoring junior/mid artists by providing demos and one-on-one meetings to troubleshoot issues.

CG GENERALIST | Crafty Apes VFX

MARCH 2021 - JANUARY 2022

- Work with the CG Supervisor, VFX Supervisor, Production and Creative Departments to create photo-real 3D elements through modelling, texturing, lookdev, lighting, and rendering for live-action film and episodics.

CG GENERALIST | Alden Studios

NOVEMBER 2020 - MARCH 2021

- Utilize all areas of CG to create photorealistic, high-quality, polished renderings for architectural visualization and product visualization using reference images, building plans, and site photos from the client.

FREELANCE COMPOSITOR | CVLT Productions

OCTOBER 2020 - NOVEMBER 2020

- Responsible for green screen keying, roto, relight, paint, and integration work for a stop-motion holiday ad for the clothing brand UNIQLO.

LIGHTING ARTIST | Mill Film

AUGUST 2019 - JUNE 2020

- Responsible for producing high-quality lighting and renders for live-action feature films and to do tasks outside my department (i.e. compositing/lookdev) when needed.
